DRI Task Forces

PP 20.1
12th December 2017

1. Creation and dissolution
Taskforces are established by CIT following approval of a proposal that must include:

> Purpose
> Terms of Reference
> Membership of the Taskforce (including Taskforce Leader).

Taskforces may be dissolved by CIT if it is felt that they are no longer necessary.

2. Membership

Membership of a task force is open to those who fulfill *at least one* of the following criteria

A.   Salary (all or in part) is derived from DRI funding or DRI leveraged funding
B.   Member of a DRI taskforce in the past
C.   Employed by a DRI member organisation with full membership.
D.   Working with the DRI codebase in a member organisation with full membership
E.   Has expertise in an area required by DRI

3. Appointments and Removal of Taskforce Members
Categories A & B:
If potential taskforce members fall into categories A & B, the Director of DRI, CIT or the taskforce leader may appoint or remove them from a taskforce.
Categories C, D & E:
If potential taskforce members fall into categories C, D & E, only CIT may appoint or remove them from a taskforce.

Taskforce members are appointed for a period of one year, after which time they must be re-appointed by one of the above.
Taskforce members may be removed automatically if they fail to attend three task-force meetings.
