

I live in [housing estate], Mullingar. It's a semi-detached house on the outskirts of the town. There are fifty-one houses in the estate. There are three bedrooms, two bathrooms, one sitting room, one kitchen cum dining-room and a garage. I have three guinea pigs which are kept in the garage. I've lived in [housing estate] all my life and made lots of friends. There are two shops, a butchers and a beauticians down the road, which is handy. My cousins live up the road, too.
